We have appointed TRAVEL TOURS as our Official Travel Partner to organise our Conference & all travel related services during our visit to Europe from 6th June to 16th June, 2019.
Dear Fellow,

We are happy to inform you that the 6th International Conference of Indian Council of Chemists will be held during June, 6th - 8th, 2019 at Paris, France and Brussels, Belgium.

On behalf of the Indian Council of Chemists, we have great pleasure in inviting you to attend this Conference and participate in the deliberations. The Conference programme is associated with a tour and travel programme of Europe. The complete itinerary is given in following lines.

The Conference would provide an excellent opportunity to research workers for presenting new experimental results, participating in wide ranging discussions and critical debate in different areas of Chemistry and shall provide an opportunity for a meaningful interactions among the members of the scientific fraternity.

INDIAN COUNCIL OF CHEMISTS

The Indian Council of Chemists was founded at Agra on 19th Sept., 1981. The thirty seven annual conferences held at Agra, Srinagar, Darhwar, Gorakhpur, Dhanbad, Madurai, Gwalior, Tirupati, Gulbarga, Goa, Muzaffarpur, Warangal, Jammu, Mumbai, Aurangabad, Mangalore, Chennai, Jalgaon, Shimoga, Mysore, Jabalpur, Roorkee, Mumbai, Ranchi, Kalyan (Mumbai), Sagar, Haridwar, Patan, Chandigarh, Hyderabad, Rajkot, Darhwar, Dhanbad, Bardoli (Surat), Pune & Suratkal (Karnataka) and Five International Conferences at Bangkok, Kuala Lumpur, Dubai, Tashkent and Bali were highly successful and well attended.

CONFERENCEx THEME
Chemistry Our Health, Our Future

SUB THEME
1. Chemistry of Life
2. Chemistry of Food and Nutrition
3. Chemistry of Water
4. Chemistry and Energy
5. Chemistry and Material World
6. Chemistry of Oil and Fats
7. Chemistry and Climate Change
8. Chemistry and Quality of Life
9. Chemistry and Sustainable Future
10. Chemistry and Combating Disease
11. Chemistry and New Fuels
12. Chemistry of Drugs and Therapies
13. Chemistry and Resource Management
14. Future of Women in Chemistry and Science
15. Synthetic Chemistry
16. Miscellaneous

SUBMISSION OF ABSTRACTS

Active participation in scientific sessions covering the topics of the Conference is welcome. Scientists are requested to submit only the soft copy of the abstract and biodata of the main author intended for presentation to Prof. Ajay Taneja, Joint Secretary, ICC, latest by 20 April, 2019 at email: jointsecretaryicc@gmail.com, copy should also be sent to icceurope19@gmail.com. It should be typed in MS-word using Times New Roman with font size 12. Authors should clearly mention on the top of the abstract, the sub-theme in which the paper is to be presented. They should mention their Phone no., and e-mail address along with their postal address, no hard copy is required. Guidelines are being sent separately.

ABOUT EUROPE

Europe is a continent located entirely in the Northern Hemisphere and mostly in the Eastern Hemisphere. It is bordered by the Arctic Ocean to the north, the Atlantic Ocean to the west and the Mediterranean Sea to the south. It comprises the westernmost part of Eurasia. Europe is named after a princess in Greek mythology called “Europa.”

PLACES OF INTEREST IN EUROPE

France - Paris is the capital and most populous city of France. It is known as the City of Light is the world’s most visited capital. Paris is especially known for its museums and architectural landmarks: the Louvre was the most visited art museum in the world. The city is proud of many monuments from the iconic Eiffel Tower to the lofty Notre-Dame cathedral and the majestic Arc de Triomphe the Louvre and Moulin Rouge. Paris is also famous for being a global fashion hub, and it is also known for its world-renowned cuisine. The average temperatures in Paris 20°C during summer. Lido show is known as exotic shows including dancers, singers and other performers. The new version of Lido show is made up of 10 to 20 scenes and runs for about an hour and a half. Two shows are run every day of the week. The Lido is known for its spectacular costumes featuring thousands of dollars and feathers and rhinestones, rich fabrics and top quality of furs.

Belgium - The Brussels is the capital of Belgium. Brussels is known for its vast green spaces. There are numerous parks worth exploring, as well as the gorgeous Sonian Forest. Some of the most famous parks in Brussels are the Bois de la Cambre, the Petit Salen Square, the Mont Des Arts garden and the Park du Cinquantenaire. The weather in Brussels is ever changing and not always ideal. It can easily go from sunny and gorgeous to a 30 minute spell of rain, and then back to sunshine. Mini Europe is a miniature part located in Bruparck at the food of the Atomium in Brussels. It has reproduction of monuments in Eu. On show roughly 80 cities and 350 buildings are represented.

The Netherlands - Amsterdam is the capital city and most populous municipality of the Netherlands. Its status as the capital is mandated by the Constitution of the Netherlands. Its Museum District housed the Van Gogh Museum, works by Rembrandt and Vermeer at the Rijksmuseum, and modern art at the Stedelijk. Cycling is key to the city’s character, and there are numerous bike paths. Amsterdam is also famous for its canals, beautiful houses, so-called coffee shops and Red Light District, but there’s plenty more to this liberal city than most visitors realize. The climate is sub-oceanic, humid and rainy.

Heidelberg - Heidelberg is about 78 kms from Frankfurt, a scientific hub in Germany is home to several internationally renowned research facilities including four Max Planck Institutes. The city is popular tourist destination due to its Heidelberg Castle, the Philosopher’s walk and the baroque style old town and Heidelberg University founded in 1386. Heidelberg has an oceanic climate, in the month of June temp varies between 24°C - 12°C. It is situated on river Neckar.

Switzerland - Zurich is the largest city in Switzerland and the capital of the canton of Zürich. It is located in north-central Switzerland at the northwestern tip of Lake. The city of Zurich, a global center for banking and finance. The official language of Zürich is German, but the main spoken language is the local variant of the Alemannic German dialect, Zurich German. Zurich is regularly recognized as one of the world’s most liveable cities.
Lichtenstein - A Small Country (25 Kms Long) situated on the banks of the Rhine in Central Europe, between the Swiss canton of St. Gallen and the Austrian province of Vorarlberg. Lichtenstein is famous for its many private banks. It’s known for its medieval castles, alpine landscapes and villages linked by a network of trails. The capital, Vaduz, a cultural and financial center, is home to Kunstmuseum Liechtenstein, with galleries of modern and contemporary art. The Post museum displays Liechtenstein’s postage stamps. The climate is continental, cold in winter, with a daily average temperature in January around freezing (0°C or 32°F), and relatively warm in summer, with a maximum average around 24/25°C (75/76°F) in July and August.

Austria - Innsbruck is the capital city of Tyrol in western Austria and the fifth-largest city in Austria. It is in the Inn valley, at its junction with the Wipp valley. Innsbruck is also known for its Imperial and modern architecture. The Nordkette funicular, with futuristic stations designed by architect Zaha Hadid, climbs up to 2,256m from the city centre for skiing in winter and hiking or mountaineering in warmer months.

Italy - Venice, the capital of northern Italy’s Veneto region, is built on more than 100 small islands in a lagoon in the Adriatic Sea. It has no roads, just canals - including the Grand Canal thoroughfare - lined with Renaissance and Gothic palaces. The central square, Piazza San Marco, contains St. Mark’s Basilica, which is tiled with Byzantine mosaics, and the Campanile bell tower offering views of the city’s red roofs. Venice has been known as the “La Dominante”, “Serenisima”, “Queen of the Adriatic”, “City of Water”, “City of Masks”, “City of Bridges”, “The Floating City”, and “City of Canals.” The Venice climate is tempered, with some Mediterranean influence. It means that the Veneto’s climate is never too cold, the temperatures in winter rarely goes under 0°C (32°F), thanks to the mitigating influence of the sea. In summer, the high can reach about 35°C. Rome is the capital city and a special commune of Italy. Rome also serves as the capital of the Lazio region. It is the center of the Metropolitan City of Rome. Rome has the status of a global city. Rome ranked as the 14th-most visited city in the world, 3rd most visited in the European Union, and the most popular tourist attraction in Italy. Its historic center is listed by UNESCO as a World Heritage Site. The famous Vatican Museums are among the World’s most visited museums while the Colosseum was the most popular tourist attraction in world. Rome is a nationwide and major international center for higher education, containing numerous academies, colleges and universities. Rome is an important center for music, and it has an intense musical scene, including several prestigious music conservatories and theatres.
